TIMELINE:

SUMMARY STATEMENT:

Review Amendment Version 1 from NWP which was recommended for approval from the Donnelly Planning & Zoning Commission on 6/9/16. Version 2 was submitted by Developer with the changes that were recommended from P&Z in addition to the removal of paving all of Halferty.

At the 5/23/16 meeting it was proposed to find the cost of what Milled Asphalt would be for all of Halferty from Old Street to State Street compared to complete paving.

The City also has the negotiating ability of the Agreement to make changes of either option.

RECOMMENDED ACTION:

Approval of Version 1 or 2 with or without changes/negotiations.
